Via Algarviana

Is a long-distance path for pedestrians running from Alcoutim in the Eastern Algarve all the way across the region from the far west on Cape St Vincent, near Sagres and crossing the Vicentina Coast Natural Park. The path has its origins in an ancient religious trail followed by pilgrims headed for the promontory of Sagres, where the relics of St. Vincent were found.

Aeroporto de Faro

Cycling & Walking

Are you traveling with your bike?

If you carry your bicycle with you, Faro Airport has three assembly areas for bicycles: one in Departures and two in Arrivals.

Great Guadiana Route

The Great Guadiana Route (GR15), with an extension of approximately 65 km, connects Alcoutim to Castro Marim and Vila Real de António, distinguished by its multiplicity of landscapes, historical, patrimonial and natural elements.

Distance: Aproximately 65Kms

Degree of difficulty: Medium

Relief: Uneven relief (max 188m; min 3m)

Coastal Ecovia

At around 214 kilometers in length and offering direct access to a number of beaches, the Coastal Ecovia runs from one end of the Algarve to other, through a green corridor connecting Cape St Vincent to Vila Real de Santo António. Spend some time on this trail and discover places of great beauty and tranquility in the busiest part of the Algarve.
